

### Setting up of Municipal Council for K.G.F. area.

\*Q.—265. Sri M. C. NARASIMHAN (Kolar Gold Fields).—

Will the Government be pleased to state:—

(a) whether they have decided to set up a Municipal Council, under the Town Municipalities Act, only for Robertsonpet Town area and not for the entire K.G.F. area;

(b) whether they have ascertained the public opinion in K.G.F. before deciding on the said course of action;

(c) whether the authorities of Kolar Gold Mines Undertakings and Deputy Commissioner of the District had recommended setting up of a Sanitary Board with an elected majority;

(d) why the Government extended the life of the nominated Sanitary Board?

A.—Sri T. SUBRAMANYA (Minister for Law, Labour and Local Self-Government).—

(a) No.

(b) Does not arise in view of reply to clause (a) above.

(c) No.

(d) Government issued a proclamation on the 17th October 1955 proposing to constitute the local area comprising Robertsonpet Town, Andersonpet Town and the villages of Gonamakanahalli, Gollahalli, Masikam, Pottépalli, Nachikapalli, Swarnakuppam and Oorgaum into a Town Municipality and the last date fixed for receiving objections to this proposal was 16th December 1958. The term of the K.G.F. Sanitary Board was to expire on the 31st December 1958 and it had to be extended further, as there was not sufficient time to consider the objections received and to establish the proposed Municipality and a Sanitary Board for the area excluding that of the proposed Municipality before 1st January, 1959.

Sri M. C. NARASIMHAN.—Sir, may I know if the Government called for the opinion of the Deputy Commissioner Kolar and the Director of the Kolar Gold Mining Undertakings?

Sri T. SUBRAMANYA.—For what purpose?

Sri M. C. NARASIMHAN.—In the matter of formation of the Municipality?

Sri T. SUBRAMANYA.—Municipality only for Robertsonpet? We have not asked.

Sri C. M. ARUMUGHAM.—Have you called for any opinion from the Deputy Commissioner, Kolar, and the Director of the Gold Mining Undertakings regarding the formation of a Municipality for the non-mining area?

Sri T. SUBRAMANYA.—Yes, Sir. They have agreed and the Government have passed orders.

Sri M. C. NARASIMHAN.—May I know whether the proposed formation of a Municipality for the non-mining area would lead to the retrenchment of the existing staff?

Sri T. SUBRAMANYA.—I am not able to answer definitely. But this much is certain: we are not going to discharge any man from service.

Sri C. M. ARUMUGHAM.—Is it not a fact that the citizens of Kolar Gold Mines want to have an elected majority Sanitary Board rather than a municipality?

Sri T. SUBRAMANYA.—No, Sir, they have been representing to the Government for over 10 to 12 years that the non-mining area may be converted into a Municipal area and the Government after several representations have taken decision that the non-mining area may be converted into a Municipality and the mining area may be continued as Sanitary Board.

Sri G. VENKATAI GOWDA.—What may be the revenue and expenditure of the proposed Municipality?

Sri T. SUBRAMANYA.—They have been worked out but I have not got the figures at this time.

Sri M. C. NARASIMHAN.—The Hon'ble Minister was pleased to say that there were representations that only the non-mining area should be converted into a Municipality; may I bring it to the notice of the Government that it was never brought to the notice that it should be confined only to the non-mining area, but should comprise the entire area?

**SRI T. SUBRAMANYA.**—Yes, Sir. The Hon'ble Member is correct. But the Mining Undertakings were not willing to come into the Municipal area because every inch of land within the mining area is theirs.

**SRI C. M. ARUMUGHAM.**—Is it not a fact that the proposed Municipality will have only five lakhs revenue instead of seven lakhs they are getting now?

**SRI T. SUBRAMANYA.**—Probably everything will depend upon the octroi and other taxes that will flow into that Municipality. Today, I am not able to say that it would be self-sufficient.

Will the Government be pleased to state :—

whether it is a fact that they have called for tenders for body building of the Dairy Van in the Animal Husbandry Department and that the highest quotation was recommended and accepted?

**A.—SRI K. F. PATIL** (Minister for Agriculture and Food).—

Yes. The highest tender was not recommended and accepted.

**SRI C. M. ARUMUGHAM.**—May I take it that the Government agrees to my question? Or is there any mistake in your answer? Because you say "Yes" to my question.

**SRI K. F. PATIL.**—You have asked whether tenders have been called. We have said yes.

**SRI C. M. ARUMUGHAM.**—You said the highest tender was not recommended and accepted. How many tenders you have received and who are the persons?

**SRI K. F. PATIL.**—Three tenders were received. The highest was that of City Motor Service for Rs. 6150; the second was from M. G. Brothers, Bellary, for Rs. 4750; and the third was from Andhra Engineering Industries, Bangalore, for Rs. 4550.
